ADDITIONAL ACADEMIC WORK

Online Summer Manchu Course

Designed and taught two weekly online courses, one for complete beginners and one a refresher for people with some past experience with the language, on reading Manchu documents. Students included graduate students, faculty, academic librarians, and non-academic professionals. Summer 2020 and Summer 2022.

Manchu and Sibe Font and Keyboard Development

Coordinated and contributed linguistic expertise to the design of a Unicode-compatible input system for Manchu and Sibe script, and the adaptation of existing non-Unicode fonts to Unicode. Summer 2020

ChinaX

Collaborator in designing the Qing-related components of Harvard's massive open online course on the history of China from ancient times to the present, 2013-2014

20th Century Manchu History

Research assistant on book project for Professors Mark Elliott (Harvard) and Ding Yizhuang (Chinese Academy of Social Sciences). Created and managed bibliographical database, tracked down relevant articles, and assisted in determining historical Manchu population. November 2012- February 2013
